From Chairman's Desk

“Education is the most Powerful Weapon which you can use to change the world”. Nelson Mandela. Education is the Foundation on which the structure of civilisation rests. It is the education which has the Potential to create a Modern Society based on equality, Justice and liberty. The emergence of Modern India Where there is no discrimination based on caste, creed, race, religion, gender etc. has a lot to do with the modern education, which is to be imparted to our children in right approach, manner & direction by well trained teachers. The goal of education policy of the institution can be summarized in the word of Martin Luther King Jr. –“Intelligence plus character- that is the goal of the true education”

We, Max Institute of Teachers' Training are collectively putting the best of our efforts to achieve excellence in the field of education by providing emotional, Cultural & Spiritual Orientation to our youth.

During my visits to remote and backward places of Jharkhand and Bihar, I decided to provide benefits of education to socially deprived & economically weaker section of the society to enable them to unfold their latest potential and prove worthy & conscious members of this great nation.

We, Max Institute of Teachers' Training, hope to provide proper conducive environment so that the teachers are trained in right manner & approach to deal with the children who are future of the nation. We aim to produce enlightened citizen having touch & dedication to the cause of society and nation at large.

As chairman, I extend a very warm welcome to the students who are desirous of seeking admission in our college. It has also been our endeavour to provide continuous updated education in a congenial environment to our students.

With Best Wishes

Rajiv Kumar

FROM SECRETARY'S DESK

With the Education system unfolding new possibilities & opportunities, it is inevitable that education in India will certainly need to do more and deliver better. Since education is the tool of social change, the Department of education of Max Institute of Teachers' Training imparting Quality education in order to create a knowledged society and global environment .

The Present Educational scenario innovation in classroom practice is the crying need of hour. We encourage innovation by the classroom practitioners in and outside the class. Emphasis is to be laid on all round development of students-teachers. A Teacher must leave no stone unturned in growing the students for nation building.

The process of teaching-learning should evolve round the issues of peace, love, harmony and brotherhood which will transforms the student of today into ideal citizen of tomorrow.

Success cannot be achieved overnight or by fluke. It requires whole hearted dedication, single minded devotions and unflinching determination coupled with hard labour. We have made the beginning and hope that in near future, Max will be a name to reckon on in the field of education which would help in all round development of youth then only the dream of Gurudev Rabindranath Tagore could be a reality - "Where the mind is without fear and the head is held high.

Where knowledge is tree.....

Where the world has not been broken up in to fragments.

By narrow domestics wide.....

Into that heaven of freedom. My father let my country awake.

I am confident that our teachers of tomorrow will definitely achieve meaningfully their respective goals and reach their destiny.

I welcome all of you and wish you a very successful academic career as student of Max Institute of Teachers' Training.

Dr. Sanjeev Kumar
